

REPORT ON FY.B.Tech INDUCTION PROGRAMME : 2020-21

A comprehensive & meaningful ten day induction programme for First year BTech students was organized from 1st - 12th February, 2021. It was a hybrid programme lending online recorded modules circulated by AICTE as well as live sessions by external speakers, institute experts, Training & Placement Cell, TBI, deans, department heads and the Students Council.

- The sessions included an array of subjects like Yoga, Universal Human Values and motivational speakers who used their corporate experiences to impart valuable lessons.
- The highlight of the programme was the inclusion of several external experts as speaker which is summarized below :

Sno	Name of speaker	Topic
1	Mr Puneet Chaturvedi Advocate, Supreme Court	Optmising potential through Ved Vedant
2	Ms Anjana Vinod, Motivational Speaker and Positivity coach	Ice breaker session
3	Mr Venkatesh Maheshwari Sr VP, Aditya Birla Group	Learnings from the Everest
4	Parivartan Grp, NGO	E waste management
5	Mr Murli Shankarnarayanan Director, Marketing and chief Fun Officer, Capgemini	Win with E's : the 5 E's that you need for victory

- A virtual visit to a the Ellora caves by AICTE was also included and very well received by the students. Hands on sessions like calculator workshop and TPO were also very well received.
- Literary and linguistic skills sessions were also included as part of the schedule and comprehensive session was organized to introduce the Students Council and various active Committees and Clubs to the students
- Half day Orientation Programme was also organised in which the Principal, Heads and Deans of the institute addressed the students
- Feedback was collected at the conclusion of the induction programme conveying the positive response from the students
- The link to the feedback questionnaire and responses is appended below :
